## Medium to Full Bodied Whites

Similar in body and richness to oak aged Chardonnay

|     |                  |                      |                      |     |    |
|-----|------------------|----------------------|----------------------|-----|----|
| 171 | Costas Lazaridis | Chateau Julia        | Chardonnay, Semillon | 7   | 28 |
| 172 | Skouras          | Chardonnay           | Chardonnay           | 6.5 | 26 |
| 173 | Hatzimichalis    | Kapnias              | Chardonnay           |     | 42 |
| 174 | Papaioannou      | Chardonnay Fume 2008 | Chardonnay           |     | 38 |
| 175 | Boutari          | Kallisti             | Assyrtiko            |     | 34 |
| 176 | Tselepos         | Chardonnay           | Chardonnay           |     | 38 |
| 177 | Sigalas          | Santorini Barrel     | Assyrtiko            |     | 44 |

## Greek Varietal Information courtesy of allaboutgreekwines.com

### Assyrtiko [ A seer' tee ko ]

From the island of Santorini, this grape yields a bone-dry wine with citrus aromas, and earthy, mineral aftertaste.

### Athiri [ Ah thee' ree ]

Also from Santorini (ancient name Thira), it produces wines slightly aromatic, having medium alcoholic content with low acidity.

### Aidani [ Ah ee tha' nee ]

Mainly found in the Cyclades Islands. It produces wines pleasantly aromatic with medium alcoholic content and acidity.

### Debina [ De bee' nah ]

Extensively planted in Epirus (western Greece), this grape has a distinctive aroma and produces wines low in acid and sugar.

### Malagousia [ Mah lah gou zya' ]

Found mainly in Macedonia it is especially aromatic, leading to elegant full bodied wines, with medium acidity.

### Moschofilero [ Mos ko fee' le ro ]

A distinct aromatic grape from Mantinia region in the Peloponnese, it is crisp with beautiful floral aroma with hints of spices.

### Robola [ Ro bo' la ]

From the Ionian island of Cefalonia, this grape has some citrus and fruit aromas with smoky, mineral hints and lemony aftertastes.

### Roditis [ Ro dee' tees ]

Roditis is a rosé colored grape that is very popular in many regions of Greece. It produces elegant, light wines with citrus flavors.

### Savatiano [ Sa va tya no' ]

Savatiano is the predominant grape in the region of Attica creating well balanced white with an aroma of citrus fruits and flowers.
